

## Health and Well Being

- Physical Education
  - Ball skills- throwing and catching
- Wellbeing
  - Exploring how woodlands in Wales can support our wellbeing
  - Growth Mindset
  - Regulating our emotions and finding ways to support ourselves

# Enchanted Woodland

## Expressive Arts

- ✓ Shared art project: Explore the artwork of the Irish-Welsh sculptor Barry Flanagan. Find inspiration from his artwork to create woodland sculptures. The children will be given the opportunity to whittle wood or shape/mould clay.
- ✓ Present our artwork to others.
- ✓ Exploring the work of Henri Matisse. Understand what a collage is and how we can use various materials to create an Autumn inspired piece of art.

## Science and Technology

- Science: Exploring living things and their habitats in Welsh Woodlands.
  - Living, Dead and Never Alive
  - Local Habitats
  - Microhabitats
  - World Habitats
  - Food Chains
- ICT
  - Online Safety
  - Digital footprints
  - Safe search
  - Being kind online
