GDPR: Parental Consent for use of Pupil Profile to be used in Social Media

(to be used in conjunction with Hay School ICT & e-Safety Policy & acceptable use of HWB consent form)

(Info for new permission letter on Schoop for photos in addition to the existing one about Hwb, Teams, etc. Ideally send out one per class so that class teachers can see permissions easily. This would be best done as an on-line form for parents with one carbon-copy kept centrally in school, in case of power cut.

Please feel free to edit and adapt!)
